

YOSSI GOVRIN

2004 - present

Director of Santa Monica Art Studios and Arena 1 Gallery.

Santa Monica Art Studios combine state-of-the-art studios, exhibition spaces, and lectures located in the heart of the Santa Monica Airport in an historic 22,000 square foot hangar with exposed metal beams and aged patina.

Arena 1 is a 2,400 square foot exhibition space to provide for open dialogue between international cutting edge artists and curators, and to serve as a catalyst and tool for the art community.

1985 - 2004

Director of Santa Monica Fine Art Studios, a 10,000 square foot total concept facility, which offers studios, workshops and exhibitions. Conceived and designed in 1985 to be a focal point of cultural and artistic exchange where artists create in a supportive & dynamic environment in search of a personal expression. Today there are thirty artists in the center.
